

Campaign Drawing to a Conclusion!

Newsletter #95

Over 20% raised in Didcot and Wallingford

Fr. Dominic Adeiza and his congregations in English Martyrs and St. John the Evangelist joined the campaign in early March. In that time, over 45 families have gathered to hear more about this undertaking and learn how it may affect their parish. Father Dominic has been heartened to see pledges begin to come in already, with £20,000 now pledged by 8 families.

With St. John the Evangelist celebrating its centenary this year, Didcot and Wallingford's parish share of £30,000 will be very welcome. This will be achieved once they reach their goal of £90,000.

Immaculate Conception and St. Joseph and Holy Redeemer get off the mark

Parishioners in Christchurch and Highcliffe attended meetings with their parish priest, Fr. Paul Obada throughout the month of March, as he invited them to take part in this initiative. With goals of £110,000 and £35,000 respectively, both parishes have now seen pledges come in.

Father Paul will launch the Pastoral Phase this weekend. Good luck!

Our Lady Queen of Peace move forward with Pastoral Phase

Fr. Kevin Hoiles will launch the Pastoral Phase in Southbourne this week after hosting a string of gatherings in the Parish Hall before Easter. Pledges have already been made by families from across the community and we look forward to seeing more gifts follow in this public phase.
